

## **Vivid Solutions Gallery Call for 2018 Exhibition Proposals Due: May 1, 2017**

Vivid Solutions Gallery is seeking proposals from independent artists and curators for our 2018 season. The gallery keeps a schedule of six shows per year, with each show lasting between six to eight weeks.

Vivid Solutions Gallery is a 500 sq. ft. exhibition space that is dedicated to showcasing and supporting established contemporary artists as well as aspiring local talents. The gallery is located inside of the Anacostia Arts Center at 1231 Good Hope Road SE. While previously focused on photography and digital media, in 2018 Vivid will be expanding its scope to include more experimental media outside of the traditional gallery presentation.

Gallery staff will support and work with artists and curators as it best benefits both parties. It is recommended that all involved artists or curators visit the gallery before submitting your proposal.

Vivid Solutions Gallery is a project of ARCH, a nonprofit committed to Anacostia since 1986.

### **How to Apply**

Please submit a portfolio to [arts@archdc.org](mailto:arts@archdc.org) by May 1, 2017 that includes the following:

- 5-20 JPEG images and/or videos (3 minutes or less in duration) of relevant work
  - Indicate if work will be included in the exhibition, or if images are representative of new work that has yet to be produced
  - Label with artist's name and title of the work (e.g. FredDouglass\_Untitled1.jpeg)
  - Optional: Include dimensions, materials, year completed, and other pertinent information in a separate document
- Artist/Curatorial statement
- Exhibition Description
- Current resume/CV
- Short bio
- Proposal for at least one related program (panel discussion, artist talk, workshop) costing \$100 or less to execute
- Support information (URL of artist's website or social media, articles, reviews, related press, past projects, etc.)
- If submitting as a curator, please also include a list of proposed artists with labeled work samples.
